Classic 2 Year Schedule

This schedule of learning is spaced over 2 years with 48 weeks of class in each year. Students will watch 2 videos a week. Units of study are organized by color, and the videos are titled in order under each unit color.

Please feel free to print up this guide. We've provided space for you to write in the date that each week's class will take place. This should help you in calculating necessary breaks or holiday time for our group.
